TABLE VII
PROFILES OF THE EXPERTS INVOLVED IN THE CATALOGUE VALIDATION.

ID	Years of experience in the field	Relevant competences	Current role	Profile	Domain of practice
Expert 1	8	Ethics, Privacy, Empirical software engineering	Assistant Professor	Academia	Computer Science, Software Engineering
Expert 2	15	Autonomous and Adaptive systems, Ethics-aware systems	Researcher	Academia	Computer Science / Software Engineering
Expert 3	≥ 10	Software Engineering, Robotics, Formal Methods, Software adaptation	Researcher	Academia	Computer Science
Expert 4	10	Quantum and High Performance Computing	Researcher	Academia	Software Engineering
Expert 5	7	Microservices, Green Software, Software Maintenance	Researcher	Academia	Software Engineering, Software Architecture
Expert 6	9	Software Engineering for Cyber-Physical Systems	Researcher	Academia	Computer Science
Expert 7	10	Software Fairness, Software Engineering	Researcher	Academia	Software Engineering
Expert 8	6	Ethics, Autonomous systems, Robotic mission, Business process management	Researcher	Academia	Software Engineering & Robotics
Expert 9	5	Autonomous systems, Ethics	Researcher	Academia	Software Engineering
Expert 10	4	Data Science, Machine Learning, Medical Imaging	Researcher	Academia	Biomedical AI, Software Engineering
Expert 11	10	Space, Software architecture, MDE, Digital twin	Assistant Professor	Academia	Software Engineering
Expert 12	6	Web applications	Researcher	Academia	Software Engineering
Expert 13	8	Web and Desktop software for general purposes	Assistant Professor	Academia	Computing
Expert 14	8	Machine Learning, Digital Twins, Data Science	Staff Machine Learning Engineer	Industry	Software Engineering, Data Science
Expert 15	20	Web development, Agentification, Optimization	Principal Engineer	Industry	Health
Expert 16	7	Machine Learning, Artificial Intelligence	Machine Learning Specialist	Industry	Software Development
Expert 17	10	Software testing, Data governance, and Automation	Software Engineer	Industry	Software
Expert 18	≥ 10	Software Engineering, Model-Driven Engineering, Digital Twins	Software Engineer	Industry	Software Engineering
Expert 19	7	Data Engineering, Data Science	Integration Senior Manager	Industry	Health
Expert 20	9	Software Development and Data Engineering	Engineer Manager	Industry	Health
Expert 21	8–9	Data, Machine Learning and Software Development	Data Manager	Industry	Health
